Make Arrangements for Races at Bowie Track

First Installment of Thoroughbreds Arrive at Maryland Course for Spring Meet.

IMPROVEMENTS ARE MADE

With racing less than three weeks away Prince George Park is now the scene of great activity, especially since the arrival of the first installment of horses, which came direct from New Orleans, arriving at Bowie yesterday. Another consignment from the same

place is scheduled to arrive on Wednesday. The many thoroughbreds who wintered at Bowle and Benning, with the late arrivals for the spring training, are in good condition, and the next few days. with good weather, will put them in form for a race. The course is in splendid shape, for which Track Superintendent Tom Strahan is given general praise. Several improvements have been made, including the removal of a large portion of the hill in the infield and the extension of the grounds to the north side of

Prof. H. N. D. Parker.

Dear Doctor: I had suffered for four or five years with stomach trouble, and went to the most eminent doctors in New York. Baltimore, and Washington, and they all said that I had ULCER OF THE STOMACH, and kept me on a strict diet, until I fell from 153 to 130 POUNDS. Then I consulted you, and now I am happy to say AFTER BEING TREATED BY YOUR WONDERFUL METHOD OF ENFORCING THE CIRCULATION OF THE BLOOD I now can eat anything, and WEIGH 152 POUNDS, and sleep well. In conclusion I can say that I recommend THIS TREATMENT HIGHLY TO ANYONE TROUBLED WITH THEIR STOMACH.

Yours, respectfully,
